Art & Craft: Recycled Flowers

Material(s) Required

- Egg cartons or an alternative
- Green markers or sketch pens
- Paint , Glue , Scissors
- Paintbrush , • White construction paper

Procedure

1. Cut out cups from the egg cartons, with each cavity in the carton making one cup.
2. Then make four cuts on each side of each cup.
3. Shape the sides by making them round.
4. Make two cups, one with small petals and the other with large ones.
5. Paint the petals using a colour of your choice.
6. Once the paint dries, fix the small flower on the large one.
7. Cut a small strip from the egg carton, roll it into a spiral and fix it in the middle of the small flower.
8. Once the glue dries, paint the spiral in a contrasting colour.
9. Glue the flower on a white construction paper.
10. Once the glue dries, draw the stem and leaves using green markers or sketch pens.

Note: Take help from parents while using the scissors
